

**Declaration of acceptance for junior research groups funded by the Berlin University Alliance
(Cross-Cutting Theme “Diversity and Gender Equality”)**

Agreement

between [Name]

and

the receiving institution [name of the institution]

on the legal status of [name] as leader of a junior research group in the Cross-Cutting Theme “Diversity and Gender Equality” of the Berlin University Alliance.

[Name of receiving institution] will hire [Name] as a guest lecturer for a period limited to the duration of the funding if the application for funding within the BUA Junior Research Group (CCT “Diversity and Gender Equality”) is granted. It will provide the necessary basic equipment (e.g., laboratories, workstations, etc.) for this period. The establishment and budgetary rules pertinent to the institution apply with the following provisos:

- a) [Name]'s work obligation is limited to the BUA-funded research project [topic].
- b) The receiving institution does not influence the independent processing of the said research project by official orders.
- c) The junior research group will establish a research collaboration with the receiving institution and with the BUA junior research groups at the gender studies institutions of the other BUA partner institutions* with whom it forms a research network.
- d) The leader of the junior research group disposes independently [within the framework of its own cost center] of the material resources allocated within the framework of the BUA funding.
- e) The legal regulations apply to the teaching obligation of the members of the junior research groups. Courses to be taught under this teaching obligation must be registered with the faculty/department in sufficient time to allow for proper course scheduling and, if necessary, consideration of capacity calculations.
- f) The possibility of leading doctoral candidates to a doctorate is generally given to the junior research group leaders within the framework of the applicable doctoral regulations.
